

# Opening Doors For Young Children

## EARLY LEARNING COALITION OF ST. LUCIE COUNTY

A Non-Profit Organization Offering:

- **Child Care Resource & Referral Services**

*2 I'm a new mom. How do I find child care so I can go back to work?* The Resource and Referral team connects families with child care providers and valuable community services.

- **Voluntary Prekindergarten (VPK)**

*Mike and Laura are going to kindergarten in the fall. Mike can follow basic instructions but Laura cannot.*

This FREE program helps ensure all children are intellectually, emotionally, physically and socially ready to enter school.

- **School Readiness Subsidized Child Care**

*I can't afford child care. Who can help me?* Parents earning low to moderate income may qualify for financial assistance to help in paying a portion of the costs for early learning services.

- **Father & Child Connection Program**

*John, a father of three, wants to learn to be a better dad.* The Father & Child Connection Program offers fathers and male role models opportunities to take a deeper look at their parenting skills and nurture healthy family relationships.
